## WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

### **December 2016 Highlights**

At 11PM on December 4, Officer Rob Haladay was on patrol in the area of Water Street where he conducted a motor vehicle stop of a black sedan with an erratic operator. As he spoke with the subject he noticed that his speech was slurred and also detected an odor of an alcoholic beverage. The operator was unsteady on his feet as he exited the vehicle in order to perform a series of field sobriety tests. Located next to the operator was a twelve pack of beer, ten of which were empty and two were full and cold to the touch. He was taken into custody and charged with OUI Liquor (2nd Offense).

On December 7th at approximately 6:00 p.m. we received a call for a major water main break at the intersection of Albion Street and North Avenue. This call came in during a very busy traffic time at one of our busiest intersections and required all available units for response. Under the direction of Lieutenant Steve Skory and Sergeant Rick Dinanno multiple officers quickly assessed the situation and performed diligently in order to make the necessary road closures. Several officers maintained traffic posts in order to move vehicles safely and allow the DPW to perform necessary repairs.

On December 9th Officer Chris Whalen responded to #1 Railroad Avenue for a report of a Breaking and Entering into a secured fence area of Tecces Auto Body. Upon arrival he spoke with the owner who advised that a chain lock had been cut from a gate which allowed access to the perpetrator who stole 24 wheel rims along with some radiators and assorted bumper pieces with a total value of \$400. Approximately two hours prior to this call Sergeant Geoff Ericksen and Officer Ryan Doran observed a suspicious male party around a dumpster in this area who claimed that he was looking for scrap metal. Over the next several days Officer Whalen was able to work with Everett PD which is the home to many scrap metal businesses. They were able to establish that these items were in fact taken by the suspicious male party to one of their scrap yards. This individual is being charged with Larceny Over \$250.

On December 13th at approximately 1:52 a.m. Officers Mark Parr, Matt Chambers, and Matt Surette were dispatched to the LakeSide Inn Hotel for an unwanted party. At this time they were met by a female who stated "good luck, he is going crazy." Officers responded to the hotel room with Officer Surette carrying a department issued 40mm Less Lethal Launcher. They were able to raise the male party who opened the door and appeared to be heavily intoxicated. The room was disheveled and there was significant damage to multiple items caused by this party.

Officers were able to use verbal skills in order to take this individual into custody without further incident. He ramped up again and became belligerent while in the booking room where officers were forced to use "hand on" skills in order to prevent further issues. Fortunately this incident ended hours later without any injuries.

On December 14th Officers Rob Haladay and David (DJ) Morales were dispatched to #13 Mansion Road for a report of trespassers. This has been a problem area for quite some time due to the abandoned property. They were able to locate and not allow to escape four juveniles (none from Wakefield) who were defacing property with spray paint and drinking alcoholic beverages. Parents were notified and all will be summoned to court for multiple charges.

On December 17th at approximately 7:30 p.m. Officer John Whaley was on patrol in the area of Salem Street and Montrose Avenue when he ran a registry check on a suspicious motor vehicle parked in front of #375 Salem Street. The query showed this as a rental vehicle and had numerous queries from surrounding police departments. The vehicle then moved to several more locations on Salem Street. Following this the vehicle headed to the northbound ramp at exit #42 where it failed to signal for the turn. Officer Whaley immediately conducted a motor vehicle stop and approached the operator. Officer Whaley observed multiple pills for which the operator did not possess a valid prescription. Further investigation resulted in locating 200 Oxycodone pills with a street value of approximately \$6,000. He was taken into custody and charged with Possession with Intent to Distribute a Class B Drug.

During the month of December our Firearms Unit conducted annual training on our 40mm Less Lethal Launcher for all officers. This is an important tool which fires a high impact sponge round that can be used tactically where time and distance allow in certain violent situations. We currently maintain several of these weapons which are deployed during each patrol shift.

We would like to thank everyone who assisted with our annual "Toys for Tots" campaign which proved to be another very successful year. There is a tremendous amount of work that goes into this and I would like to personally thank Detective Ken Silva who spearheaded this effort and received tremendous assistance from Lieutenant Skory, Sergeant Burnham, and Officer Whaley.

Respectfully Yours,
