## WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

### **March 2016 Highlights**

Our School Resource Officers were busy this month assisting with multiple events focused on both youths and parents. On March 21 Officer Jason Skillings set up a booth for our Department at the "Parent University" giving parents and family members useful information regarding "at risk" behavior and opportunities to educate themselves on the ever-changing teen environment. On March 23 Officer Skillings mentored two members of the Junior Class with interests in law enforcement for the annual "Job Shadow" day. He was able to demonstrate what his day is like in the schools as well as some of the procedures of an officer assigned to patrol. Both students were able to meet several members of our department and hear first-hand how we made our path into policing. From March 28-30 both Officers Skillings and Kelley Tobyne as well as Northeast Vocational School Resource Officer Mike Pietrantonio assisted with the "In-Plain Sight" educational demonstration for parents showing things to look out for in regards to drug and alcohol use. These officers went out to local warehouses in order to gather and move the many pieces of furniture that were necessary to make this very successful event possible.

With financial assistance from Wake-Up, Family Services Officer Amy Toothaker was able to take part in the National Drug Abuse and Heroin Summit from March 28-31 in Atlanta, GA. Multiple presentations were given throughout this very important event, including a speech from President Obama. This is the largest national collaboration of professionals from local, state and federal agencies, business, academia, clinicians, treatment providers, counselors, educators, state and national leaders, and advocates impacted by Rx drug abuse and heroin use. Through this type of collaboration, future work of attendees can be more impactful in bringing solutions to this issue that the Centers for Disease Control and Prevention (CDC) declared a public health crisis in 2012. Officer Toothaker raved about this training and the amount of new information that was given throughout the conference.

On March 15 at approximately 9:10 p.m. Officers were dispatched to the area of Colonel Connelly Park for a report of a vehicle that had struck the fencing and the operator had fled the area. Upon arrival Officer Rob Haladay observed an SUV that had crashed into the fence of the playground and was now unoccupied. Moments later he was able to observe a male party running from the scene heading west on Quannapowitt Avenue. Officer Haladay was able to catch up to this individual who was determined to be the operator. After further investigation this individual was taken into custody and charged with multiple motor vehicle offenses including Operating Under the Influence of Liquor and Negligent Operation of a Motor Vehicle.

On March 27 at approximately 9:32 p.m. Officer Russell Carman was on patrol and observed a vehicle traveling east on Salem Street without a valid inspection sticker. He conducted a motor vehicle stop on Salem Street and noticed an open beer bottle on the passenger side floor. While speaking with the operator he detected an odor of an alcoholic beverage and observed him to be extremely nervous and sweating profusely. Following a series of field sobriety tests he was taken into custody and charged with Operating Under the Influence of Liquor (2nd Offense) and Possession of an Open Container of Alcohol.

Our Department mourns the loss of retired Officer Albert Sarafian who passed away on March 12 following a lengthy illness. Officer Sarafian was a Veteran of the United States Army and served the Town of Wakefield for 29 years where he became well known for his efforts in community policing. He was very active with the Jimmy Fund as well as the "Toys for Tots" program where he received an award from the Massachusetts State Police for having collected the highest number of toys for those in need. Officer Sarafian always had a smile on his face and his impact on this Department as well as our community will be felt for years to come. May he rest in peace after a job well done.

Respectfully submitted,

*Richard E. Smith*
