WAKEFIELD POLICE DEPARTMENT OFFICE OF THE CHIEF

One Union Street, Wakefield, Massachusetts, 01880

June 2017 Highlights

On June 1st at approximately 12:00 a.m. Officer John Whaley was conducting security checks of the 24 hour businesses on Salem Street when his attention was drawn to a black Infiniti G35 parked at the Irving Gas Station. The vehicle moved from the Irving lot and turned onto Montrose Avenue. A short while later the vehicle returned to the area, proceeded slowly past the Irving Station, and eventually parked in the Dunkin Donuts lot which was closed at this time. All of the vehicles lights were turned off as the male operator exited on foot and walked around the Irving Station. He eventually entered the store and after approximately one minute, he exited and sprinted towards the area of his vehicle. Officer Whaley immediately radioed his observations in to our dispatch center and moved towards the male party. Dispatch had just received a 911 call from the store that they had indeed been robbed, stating the male party claimed to have a gun and reached towards his waist as he demanded money. Officer Whaley was able to catch this individual prior to him getting back into his vehicle. After a brief struggle he was secured and taken into custody. After a search of the area no firearm was found, however a silver knife was located in his front pocket. This male party out of Wakefield is facing multiple felony charges including Armed Robbery. This was outstanding police work by Officer Whaley that likely prevented additional crimes by this individual and brought an immediate sense of justice to the innocent victim.

On June 3rd at approximately 2:30 a.m. Officer Shawn Conway was checking the area of Landrigan Field when he observed a dark colored vehicle travel past his location toward the Northeast Vocational School. Knowing that both the school and the reservation area are closed at this time, he headed toward that area and found the vehicle parked in front of the school. He observed a female operator and a male passenger as he approached. As he spoke to the female operator he noticed that her speech was slurred and there was a strong odor of an alcoholic beverage coming from her breath. After further investigation she was taken into custody and charged with Operating Under the Influence of Liquor.

On June 8th at approximately 10:25 a.m. Detectives Chris Grace and Jack Ryan were conducting surveillance in the area of Chestnut Street and Emerson Street where they had reason to believe that drug transactions were being made. The detectives observed a male party exit his residence at #45 Chestnut Street and stand outside and appeared to be waiting for someone. After a few minutes, a gray Lincoln SUV pulled up and the male party entered the vehicle.

They drove for approximately 200 feet and the male party exited on Emerson Street in the area of Saint Joseph School. Based on their training and experience, the detectives believed that a drug sale had just taken place. They spoke to the male party on foot who confirmed that he had just purchased a small amount of heroin from two male parties inside of the Lincoln SUV. That vehicle was later stopped and both parties were taken into custody and are facing multiple drug distribution charges.

On June 10th at approximately 2:00 p.m. Officer Matt Warren was on patrol in the area of Walton Street when he observed a male and female that were both known to him from previous drug activity looking around and talking on the phone. After a short time he observed a Honda Van registered out of NH pull down the street at a slow rate of speed. After a short time he observed the female enter the vehicle, conduct an exchange with the operator, and then exit while stuffing something into her shorts pocket. He conducted a motor vehicle stop on the Van and after further investigation he was able to determine that the female had sold 50 Clonidine pills to the male operator. She was taken into custody and charged with Distribution of a Class E Substance.

On June 11th at approximately 7:00 p.m. Officer David Rando and K9 Dozer were dispatched to North Reading to assist in the search of occupants that had fled from a stolen motor vehicle. They were able to establish a track down a dirt path through a wooded area. This continued for approximately one hour through areas of heavy brush and mud. Eventually they reached an open area and observed a blue tarp in the distance. K9 Dozer continued to alert toward this area. Located hiding under the tarp were a male and female suspect from the car theft who also had outstanding warrants. They were taken into custody by North Reading Police.

On June 15th Officer Kyle Meehan was dispatched to #163 Water Street for a report of a past breaking and entering. At approximately 4:00 p.m. the homeowner advised that she left her residence approximately one hour prior and returned to find a window screen out of place and a rear window to be open. She then observed a male party standing in her backyard who soon fled the area. In her home she observed a red backpack that was left behind by the suspect. She was able to give a detailed description of the male in question. Officer Meehan had encountered a male party out of Lowell walking on Aborn Avenue during his routine patrol at approximately 2:00 a.m. on this date. The subject matched the description and was wearing similar clothing and the same style red backpack. After further investigation this male party will be charged with the crime.

The month of June proved to be a difficult one for our public schools, with three deaths of recent former graduates. Our School Resource Officers Kelley Tobyne and Jason Skillings played a vital role in the coordination of assistance to all of those in need. We mourn the loss as a community and hope for brighter days ahead. On a more positive note, Officer Tobyne was able to assist with the "Keep Me Safe" program graduation at the Beebe Library. We were also able to present a "Certificate of Recognition" to Karen Vasquez Vincente, a student at the Woodville Elementary School who helped our officers with translation during a recent medical aid call that involved a language barrier.

Respectfully Yours,
